

MINENHLE SITHOKOMELE SIBIYA

61643 Turkey Street, KwaZakhele Port Elizabeth 6205 | 0733787984 /0663100904 |
minenhlesthokomele8@gmail.com

OBJECTIVE

A dedicated and results-driven Information Technology graduate with a specialization in Software Development. Highly analytical, adaptable, and quick to learn, with a strong technical foundation in programming, web development, and database systems. Known for a strong work ethic, attention to detail, and the ability to thrive in collaborative environments while maintaining professionalism and integrity. Passionate about solving real-world problems through innovative, efficient, and user-focused digital solutions, and continuously seeking opportunities to grow and develop within the technology field.

EXPERIENCE

CAPACITI AI Engineering Bootcamp (Programme Participant) (April 2026 – Present)

CAPACITI – Skills Development Initiative

Currently enrolled in an AI Engineering bootcamp focused on building practical skills in artificial intelligence, machine learning, and software development fundamentals.

Developing hands-on experience with AI concepts, data handling, model building, and problem-solving using real-world scenarios.

Working in collaborative, agile-based environments to complete technical projects and simulations.

Strengthening professional competencies including teamwork, critical thinking, communication, and time management within a structured learning environment.

Gaining exposure to industry tools, workflows, and best practices aligned to AI and software engineering careers.

FTTH First Line Technical Support Call Centre Agent (October 2025- May 2026)

iSON Xperiences – Vodacom Fibre

Delivered first-line technical and billing support to FTTH customers in a high-volume environment. Troubleshoot connectivity, speed, router, and ONT issues. Logged, monitored, and escalated support tickets; ensured timely resolution and customer follow-up. Performed basic router configuration and network checks using AXCESS and Integrity tools. Maintained accurate documentation and consistently high standards of customer service.

Tuck Shop Keeper (2025)

Hector Peterson Tuck shop-Nelson Mandela University

Manage daily tuck shop operations, including sales, cash handling, and accurate recordkeeping. Deliver friendly, efficient customer service while maintaining a clean and welcoming environment.

EDUCATION

Advanced Diploma in Information Technology

Nelson Mandela University, Port Elizabeth

Degree Award Date: [16 April 2025]

Applied project management methodologies to plan, execute, and monitor IT projects, ensuring alignment with business goals and efficient resource utilization.

Diploma in Information Technology

2022-2024

Nelson Mandela University, Port Elizabeth

Developed foundational programming skills in languages such as JavaScript, CSS, Python, and C# to build versatile software applications

National Senior Certificate (Grade 12)

Completed in 2020

Ngali

Secondary School, KZN
